Betreff: Thomas, your money transfer is ready for pickup

[Open email in browser](#)

Thomas can now pick up the money

Hi Thomas,

All set. **Thomas** can pick up your money transfer **MTCN 0179790460** at an [agent location](#) using the following:

- Government-issued photo ID
- The tracking number **MTCN 0179790460**

Your receiver's full name on the ID must match the information provided by you.

Want even more options? Thomas can switch this transfer to a bank account right here, using this link. https://go.wu.com/sd-ra-ma?mtcn=0179790460&src=SD_RA&WUCountry=ma

We may notify your receiver and send the MTCN via SMS or message if their mobile number is provided and

the service is available.

Thanks for choosing us.

 [Track your transfer](#) with your 10-digit MTCN number.

Your Receipt:

Tracking Number
(MTCN)

0179790460

Transfer Fees

+ 1,99 EUR

Total

601,99 EUR

Exchange Rate*

1 EUR = 10.3073 MAD

Total to Receiver

6184.39 MAD

*Please note that SMS or message delivery is not guaranteed and depends on network availability. To ensure your receiver is informed about the incoming money transfer, you can also share the MTCN directly with them.

*Western Union also makes money from currency exchange.

Sending to countries that provide payments in multiple currencies: Some Western Union agents may offer the choice to receive funds in a currency other than the one chosen by the sender. In such instances, Western Union and its agents may charge an additional fee when your funds are converted.

However, in some countries, your receiver may choose to get cash in a different currency. In such cases, the exchange rate may differ from the one for the paid transaction to currency you selected.
